OFFICE NOTE

SUBJECT

Repairs of Kaitabheswara Temple at Anwatty; and State grant for the repairs of Muzrai Buildings

LAST REFERENCE.

Letter No. 45 dated 11th July 1896 from the Dy Comr, Shimoga Dt

An Estimate for Rs 500 to repair the Kaitabheswara temple was sanctioned by Govt, in Pro. No. 223-4 Muz 723-94 dated 29th august 94, and out of this amount Rs 468 was ordered to be met from the State grant for 1894-95. The Dy Comr now reports that works to the nature of Rs 233-3-3, have been executed

been drawn by the
Dy Comr in advance; if
he has not done so,
will not the undrawn
allotment have lapsed
to Govt thereby necessi-
tating the assignment
of fresh funds to the
extent so lapsed in
addition to the Rs 78-3-3,
required under the re-
vised Estimate submitted
for sanction?

3. I am informed by
Mr. Vijapuri chetty, of
the Comptr's office, that
several of the allotments
made out of the State
grants of last years
have lapsed to Govt;
the same not having
been drawn & utilized
for the purposes assigned
within

Her task would be greatly facilitated if Statements of such lapses, may be applied for from the Comptr's office

within the close of the official year for which the grant was sanctioned owing to the delay in carrying out the sanctioned works or other causes.

A case of this nature has once come up before Govt, in connection with the repairs of the ~~Kolaramma and~~, Someswara Swamy Temple at Kolar. (Vide Govt Pro No 799-800 Muz 7 21-92 dt 1-2-96.)

(5) To avoid similar difficulties in future, I would submit that either of the following courses may be adopted:

(1) The entire State grant of Rs 15,000, be drawn by the Muz. Supt and transferred

transferred to mus. rai Funds, at the beginning of the official year, any unassigned portion thereof remaining at the end of the year being credited to ~~gen~~ General Mus. Surplus Funds; ~~or~~

and all individual allotments to be made from this fund

Or

(2) Every individual allotment out of the State grant to be drawn by the Dy Com^r and credited to the Funds of the Institution concerned, any unexpended balance remaining at the ~~after the~~ completion of the ~~sanctioned repairs~~ being credited to the Surplus Funds of the Institution itself;

To The Deputy Commissioner
Shimoga

Sir,

With reference to Muzarai Secretary's Official Memorandum - No. 1360, dated 8th Ultimo to your address (Returned with this) regarding repairs to be executed to the Kutabeswara temple at Anvatty, Sorab Taluk, I have the honor to state that the structure, which is wholly built with stone, is in need of extensive repairs, and the services of a professional man are necessary to frame an estimate for its thorough repairs, without which the temple will gradually fall into ruins. For the present however, a rough estimate for urgent repairs is submitted, and it will be seen from the Memorandum accompanying the estimate that provision is made for very urgent repairs alone.

2. There is a small sum of Rupees 32-15-0 at the credit of the temple

in Surplus funds; I would therefore beg to suggest that the funds needed for the repairs now recommended be granted from General Surplus at the disposal of the Muzarai Department.

I have the honor to be, Yrs

(Signed) D Ramaswami Row
Sub Division Officer
Sagar.

A good portion of this District surplus fund has to be paid towards repairs to the chattram at Tirupathi as already directed, and to appropriate any portion of the small balance at the credit of the other institutions in the District will be highly obnoxious to the Votaries of these Institutions.

This is a stone Temple. Some of the stone beams and uprights have given away, i.e they are broken. The Temple is leaking as the concreting is washed away. Plants and weeds have grown between the joinings. For the present it is proposed to renew the concrete; remove the plants &c grown at the joining and point the outer surface of the walls &c. with mortar, and support the cracked stone beams with rough stone pillars.

In reply to the 1st query has the honor to state that further works according to the sanctioned Estimate were not carried out as Mr Raghunatha Rao the late Sub Division Officer. after inspection of the temple found some deviation therefrom necessary for the reasons explained by him in his Memo embodied in this Office No 232 of 17th December 1895 taking care not to exceed the sanctioned amount of 500 Rs. The Assistant Engineer opined that the amount should be raised to Rs 578-3-3 as explained in this Office No 7 of the 6th July last.

2. Out of Rs 578-3-3, work to the extent of Rs 233-3-3 has already been executed according to the original design and Estimate and paid for. For the balance of Rs 345 a separate estimate framed by the Assistant Engineer and approved of by the Executive Engineer has been forwarded with the docket No 7 above quoted upon which the present query has been put by the Muzrai Secretary.

3. With regard to the 2nd query, the payment for the work executed has already been made as above observed. The Amildar made payment according to your Office Cheque No 76 of March 1896 a reference to which will show you the source from which the cost was met.
